Sir,

Sub:- Establishment - Community Projects - South Kanara - Maistries - Pay Scale - Adoption - Orders - Solicited.

Ref:- Government Memorandum No. 7896 Public (C.P.)-I/53-1 dated 27-4-1953.

@@@@

In the Government Memorandum cited, permission was given to appoint the required number of maistries with a direction that they should be paid within the amount provided for supervision etc., in each estimate. Four maistries have been appointed so far. No orders have been received regarding the scale of pay to be paid to the maistries appointed. The Executive Engineer, South Kanara reports that the following scale of pay is being adopted by him for Maistries working in his Department.

1) Students of Karnataka Polytechnic. Rs. 45/- plus D.A.

2) Maistries. Rs. 30/- plus D.A.

P.T.O.

I solicit instructions whether the above pay scales may be adopted to maistries appointed for this Community Project area.

PROJECT EXECUTIVE OFFICER.

Memo No.11311 C.P.(I)/54- dated 28.3.54

Sub:- COMMUNITY PROJECTS - South Kanara Project Area - Appointment of maistries for sanctioned works - Pay scales to be adopted.

Ref:- From the P.E.O., Mangalore No.1519/54 dated 1-3-54.

The P.E.O., Mangalore is informed that ordinary maistries will suffice unless they are not available. In cases where qualified personnel is absolutely essential, they may be appointed. He may adopt the rates of pay prevailing in the Dt. as advised by the Ex.Engineer (PWD) for such personnel appointed. The appointments can be made subject to the condition that the expdr. does not exceed 2½% of the actual value of work executed.

Subj:- C&Ps - S. Kanara Project Area - Appointment of maistries for sanctioned works -

P:1; Ref:- From the P.E.o. Mangalore - 2519/54 dt 13/5/54

Please see the letter on ref cited from the S.E.o. Mangalore -

~~P.T. 4 of (C)~~ In memo no. 7696 Pub (CP)I 53-1 dt 27.4.53, the P.E.o. Mangalore was permitted to appoint the required no of maistries for sanctioned works, but they were ~~directed~~ to be paid within the amount provided for supervision etc in each estimate.

The P.E.o. Mangalore in his letter on ref cited reports that he has appointed 4 maistries so far. No orders have been issued in the memo under reference regarding the Scale of pay to be paid to the maistries. The S.E. South Kanara, from the P.E.o has consulted and reported that the following scales of pay is being adopted & given for maistries working in the PWD :-

1. Students of Karnataka Polytechnics } Rs 45 + D.A.
2. Maistries Rs 30 + D.A.

The P.E.o requests in the matter as to whether the above pay may be adopted to the maistries appointed for the C.P. Area.

The P.E.o has not stated whether he has also appointed students of Karnataka Polytechnics ~~& and~~ ~~are going to be~~ and if so what pay has been given to them so far. He may

~~at Rs 30 + D.A. for others~~

~~P.W.D. may perhaps see for remarks~~

may be asked to report on these, before determining the case further.

31/3/54

Hy 23/3/54.

The P.E.O. ~~has~~ enjoys the same powers as the E.E of the P.W.D in the matter of execution of works. The E.E is empowered to appoint personnel for petty supervision, within the sanctioned estimate and provided that the amount actually spent on this is within 2½% of the actual value of work done. The P.E.O may therefore exercise the same powers and fix their pay in consultation with the E.E. P.W.D. Accordingly there may not be any objection to the proposed pay of Rs 45 for qualified maistries and Rs 30/- for others. As the P.E.O says that 4 maistries are already appointed, he may be asked to fix their pay according to the advice of the E.E

Community projects - South Kanara - chemical fertilisers - Triple super phosphate — Issued for sale outside the project area — permission — Requested

11348 C/11

Ref.3137/53-C.

Project Executive Office, S.K.
Mangalore, d/- 1st March 1954.

2-MAR 1954
LEGAL DEPARTMENT

From

Sri H. Narasimha,
Project Executive Officer,
MANGALORE.

To

The Director of Community Projects,
Agriculture (C.P.) Department,
Fort St.George,
MADRAS - 9.

Sir,

Sub:- Community Projects - South Kanara - Chemical fertilisers - Triple Super Phosphate - Sale outside the Project area - Permission - Request.

@@@@@@@

I submit below the details of the chemical fertilisers received, sold and the balance remaining on 31-1-1954.

	Urea.	Ammonium Phosphate.	Triple Super Phosphate.	
1) Quantity received.	195.	327.	868.	(in tons
2) Quantity sold.	95.	119.	70.	"
3) Balance (as on 1-2-1954)	100.	208,	798.	"

2/ It is found that the demand for Urea and Ammonium Phosphate is greater than that for Triple Super Phosphate. The present stock of Urea and Ammonium Phosphate is expected to be cleared during the course of this year. But, in the case of Triple Super Phosphate, the stock held is too far in excess of the requirements to be disposed of during the Project period. It was with great effort that 284 tons of chemical fertilisers were sold during the current year within the limited Project area and ~~with~~ this compares very favourably with the sales effected by the Agriculture Department, in this District during the previous years. Even according to the targets fixed by the Agricultural Adviser, Community Project Administration, a maximum quantity of 300 tons can be expected to be sold during the next two years, leaving a surplus of about 500 tons.

3/ The Triple Super Phosphate is found to spoil its containers, whether gunny or paper, due to its corrosive action on the packing materials. Even when these stocks were received, there was a lot of damage and the stuff had to be repacked before storing. But the repacking would not remain in good condition after a short time and again the stuff has broken out of its containers and has fallen down in the godowns in big heaps. Already, shortages are noticed in weight. If the fertiliser is left in the godowns for any more time, it is feared that there will be further deterioration in its quality also.

4/ The District Agricultural Officer, Mangalore who was consulted by me on this subject, suggests that the fertiliser may be sold to the general public and the National Extension Service Development Blocks of Manjeshwar and

P.T.O.

Sullia in this District. I, therefore, request that in view of the facts explained in the preceeding paras, permission may kindly be granted to sell the Triple Super Phosphate to the general public in this District at the same price as prevailing in this Project. As the Agriculture Department is not dealing in manures now, the parties and dealers requiring the fertiliser will purchase the same from the Community Project Godowns in the Project area. Wherever possible, the sale will be entrusted to the Cooperative Societies recommended by the Deputy Registrar. In the National Extension Service Blocks, authorised dealers will be selected by the Block Development Officers and outside the National Extension Service and Project area, the authorised dealers will be appointed by the Taluk Agricultural Demonstrators. No additional expenditure will be borne by the Community Project in the sale of the Triple Super Phosphate outside the Project area. But, permission may kindly be granted to incur expenditure towards repacking the fertiliser before despatch. This expenditure will be covered in the sale price as per formula prescribed in the Government Memorandum No. 5598 Public (CP.II)/53-4 dated 5-6-1953. A. put up at (5)

5 In all, a surplus of 500 tons of Triple Super Phosphate is available for outside sale. If the fertiliser is required in any other Project or National Extension Service areas, orders may kindly be given to transfer the stock from this place. B

6 I request the favour of early orders on this proposal as the first crop cultivation in this area will commence soon.

Memo. No. 11348 (C.P.II)/54-1 dated 12-4-54.

Sub: Community Projects/N.E.S. - Chemical fertilisers - Triple Super Phosphare - supply of.

Ref: From the P.E.O. Mangalore Ref.3137/53-C, dated 1-3-54.

The B.D.Os of C.P. Blocks and the Collectors are informed that 500 tons of T.S.P. are available with the P.E.O. Mangalore for diversion to C.P. Blocks and N.E.S. Blocks. They are requested to apply to the P.E.O. Mangalore for such quantity of T.S.P. as they require for use in their respective areas in waggon loads of 20 tons per consignment and endorse a copy to Govt.

The cost of the fertilisers will be fixed at the sale price that exists in S.K. Project area plus the transport charges, i.e. loading & unloading, Rly. freight and other charges at the receiving end.

(P.T.O. for address entry)

p.1

2. If the P.E.O. Mangalore transfers the fertiliser he will intimate to the Consignees the cost fixed by him for retail sale in his Area (with reference to the orders issued in Memo. No. 5598 Pub (II) 53-4 dt 5.6.53) which will include depot charges to Distributing Agents. Consignee plus the cost of rebagging for transmission, transport to railhead etc. The Consignee will add to this amount the Rly freight incurred. The unloading, handling & godown charges and fix the retail price for sale to cultivators.

AGRICULTURE (C.P.II) DEPARTMENT

Sub: C.Ps. - S.Kanara Project area - Chemical fertilisers - Provision for sale outside C.P. areas.

Ref: From the P.E.O. Mangalore Ref. 3137/53 C dated 1-3-54.

***

Please see the letter in the c.f. For the reasons stated in paras 2-4 on pp 1-2 c.f., the P.E.O Mangalore requests permission to sell the chemical fertilisers i.e. Triple Super Phosphate which is too far in excess of the requirements by 500 tons outside C.P. areas. It is stated that the D.A.O. who was consulted on the matter has suggested that the fertilisers may be sold to the general public outside C.P. areas as well as in N.E.S. Blocks. He states that the sale of this fertiliser will be entrusted to the Co-operative Societies recommended by the Deputy Registrar in C.P. areas. In outside areas and N.E.S blocks, the authorised dealers selected by the Agricultural Demonstrators and B.D.Os will be entrusted with that work. He also states that no addl. expenditure will be borne by C.P in the sale of T.S.P. out of the C.P. areas since the expenditure will be covered in the sale ~~of~~ price. In the circumstances he requests that permission for the sale of the fertilisers outside C.P. areas may be granted. He also request permission to incur expenditure towards repacking the fertilisers before despatch. In this connection it is stated that the sale ~~re~~ effected by the P.E.O. Mangalore ~~has~~ so far is only 70 tons out of 868 tons of Triple Super Phosphate supplied to him, leaving a balance of 798 tons. If the sale of this fertiliser is to be effected at this rate, it will not be possible to dispo of the quantity within the Project period as suggested by the P.E.O. ~~The P.E.Os~~ We may perhaps be permitted to sell the fertilisers outside C.P areas and in N.E.S. Blocks also. He may also be permitted to incure expenditure towards the repacking of this fertilisers before despatch. A draft memo is submitted for approval. With reference to 'B' on p 2.c.f. another draft

As regards N.E.S blocks
memo. is also submitted for perusal. (D.I. may also see
~~with reference 'B' on p. 2 c.f.~~ . .)

19.3.54 15/3/54 The fertilisers under the TCA prog. are sold on a subsidised basis - we are liable to be questioned if we are to sell them for use outside the C.P.A. areas without the concurrence of the C.P.A. Of course the sale in N.E.S Blocks will be acceptable to them but not in other areas.
C.P.A may please be consulted
